Oh light of love
Won't you shine on me

The light of love

The light of love
It won't shine
It won't shine for me, yeah

Oh the light of love
Won't you let it shine

Won't you let it burn
Won't you let it burn
The light of love

Oh the fire of love
Won't you let it burn
Won't you let it burn
The light of love
