38 Special, One Time For Old Times

You're lookin' fine, it's been a long time
I still remember everything that used to be
Like the love, it's always so easy loving you for me
It's been a while now time has got a smile
I see you now love feels new to me
Tell me have you still got a place in your heart
Is there any chance you'll be showing me
Chorus:

One time for old times

One kiss for the love we missed

One time for old times

And for all the love that we lost along the way It's still the same, nothing's really changed Still got the look that always got through to me

I see you now, love feels new to me again, once again

Tell me now, has anyone taken my place

Is there any chance you'll come back to me

One time for old times

Honey, one kiss for the love we missed

One time for old times

And for all the love that we've lost along the way

One time for old times

Darlin', one kiss for the love we missed

One time for old times

And for all the love that we've lost along the way

You're lookin' fine, it's been a long time
I still remember everything that used to be
Tell me have you still got a place in your heart
Is there a shape you'll be showin' me

Is there a chance you'll be showin' me

One time for old times

Darlin', one kiss for the love we missed

One time for old times

And for all the love that we've lost along the way

One time for old times

Honey, one kiss for the love we missed

One time for old times

And for all the love that we've lost along the way
