

# 38 Special, Stone Cold Believer

I speak my mind. I don't hold it back,  
That's how I am, and I'm hopin' that's where you' at.  
Like I lay it on the line and that's how it should be  
If you're gonna make it, man you've got to agree  
I'm a stone cold believer, yes, I am,  
I believe you can do it if you say that you can  
I'm a stone cold believer, not a smooth talkin' man,  
believe I got things well at hand  
Wanna climb that ladder, y' wanna make it to the top,  
Takes only one thing, gotta give it all y' got.  
Knew a man who couldn't lose, 'cause he never gave in,  
He stuck to his pistol well it made him a better man.  
I'm a stone cold believer, yes, I am,  
I believe you can do it if you say that you can  
I'm a stone cold believer, not a smooth talkin' man,  
believe I got things well at hand
