# Jeanette, You're Nothing Better

Ladadadadadadadau (3x)

Don't you see the way that I feel
Better start believin' it's real
It ain't just that you broke the seal
I don't see why I could be near you
Oh an' I guess I don't have to say
That there we're some days when I prayed
You would be a-stoppin' to play
'cause I need man who can be true
( I need a man who can be true)

Love don't last forever
An' I think some won't see it ever
Better we won't stay together
For just another day

You're nothing better than a fool
An' you have really made me blue
That's why I'm leavin', sugar

Anyway I'll leave you behind
I don't want a love of that kind
An' I just don't care when you mind
Losin' you means to me to be free
Hey you have not just cherished enough

All you got receivin' my love
So I'll make this trip really rough
'cause I need a man who can stay true
(I need a man who can be true)

Love don't last forever
An' I think some won't see it ever
Better we won't stay together
For just another day

You're nothing better than a fool
An' you have really made me blue
That's why I'm leavin', sugar

Love don't last forever
An' I think some won't see it ever
Better we won't stay together
For just another day

(You're nothing better than a fool
An' you have really made me blue
That's why I'm leavin', sugar)

You're nothing better than a fool
An' you have really made me blue
