# Wanda Jackson, Making Believe

making believe that you still love me
it's leaving me alone and so blue
still i'll always dream but i'll never own you
making believe it's all i can do
i can't hold you close darling when your not with me
you're somebody's love you'll never be mine
making belive i'll spend my lifetime loving you
and making believe

(break)

i can't hold you close darling when you're not with me
you're somebody's love you'll never be mine
making believe i'll spend my lifetime loving you
and making believe
