

# 38 Special, You Keep Runnin' Away

I hear your high-heels clickin' down the boulevard  
You got your suitcase in hand, guess you're takin' it hard  
You swear you'll never trust another man  
Ah, but I know that you will, it's just a question of when  
So open up your eyes to the light  
You've been far too alone for too many nights, oh  
Someday, someday, somewhere, love is gonna find you  
Somehow, someone is gonna beg you to stay  
But you keep on runnin', you keep runnin'  
You keep on runnin' away  
I hear it whispered in the neighborhood  
At one time you were the best, it was just understood  
Then someone came and took you for a fool  
The word is out on the street that love is looking for you  
So open up your eyes to the light  
You've been far too alone for too many nights, oh  
Someday, someday, somewhere, love is gonna find you  
Somehow, somewhere, don't look now, I'm comin' up behind you  
But you keep on runnin', you keep runnin'  
You keep on runnin' away

So don't be fooled, you got me comin'  
I ain't no fool, you keep me runnin'  
And I don't know why  
No, I don't know why  
So open up, don't be afraid, baby  
Is there someone standin' in our way  
Won't you tell me why  
Don't you tell me goodbye, oh  
Someday, someday, somewhere, love is gonna find you  
Somehow, someone is gonna beg you to stay, baby  
Somehow, somewhere, don't look now, I'm comin' up behind you  
But you keep runnin', you keep runnin'  
You keep on runnin' away  
But you keep on runnin', you keep runnin'  
You keep on runnin' away  
But you keep on runnin', you keep runnin'  
You keep on runnin' away  
But you keep on runnin', you keep runnin' away  
But you keep on runnin', you keep runnin' away  
But you keep on runnin', you keep runnin' away  
But you keep on runnin', you keep runnin' away
