Well that's all right mama that's all right with you
That's all right mama anyway you do
Well that's all right that's all right that's all right mama anyway you do
Well my mama she done told me papa done told me too
Son that gal you're foolin' with she ain't no good for you
Well that's all right that's all right that's all right mama anyway you do
(guitar)

Well my baby left me she never said a word
Was it something that I've done or something that she heard
You know she left me yeah she left me Lord my baby left me never said a word
Well Lord I stand at my window wring my hands and cry
I hate to lose that woman hate to say goodbye
You know she left me yes he left me my baby even left me never said goodbye
