Wilburn Brothers, I Forgot To Remember To Forg

I forgot to remember to forget you I can't seem to get you off my mind
I thought I'd never miss you but I found out somehow
I think about you almost all the time
The day you went away I made myself a promise that I'd soon forget we'd ever met
But something sure is wrong cause I'm so blue and lonely
I forgot to remember to forget
(guitar)
The day you went away...
