Wumpscut, Your Last Salute

Ha arribat el moment no desitjat
La tristeza s'ha apoderat del meu cos
I jo no puc fer-hi res
Aquest s l'ultim instant
Pausa infinita de dolor

Una forca m'allunya de tu
Cada cop ests ms distant
Ja no et puc sentir
Ja no et puc veure't
Ha arribat el final no desitjat

==English Translation==

The undesired moment has come
sadness has taken over my body
I can't do anything about it
this is the last instant
infinite pause of pain

A force moves me away from you
everytime you are more distant
I can't feel you anymore
I can't see you anymore
The undesired final moment has come
