Johnny Tillotson, I've Got You Under My Skin

I've got you under my skin I've got you deep in the heart of me
So deep in my heart you're really a part of me
Oh I've got you under my skin
I tried so not to give in I said to myself this affair
Never could go so well
But why should I try to resist when darling I know so well
That I've got you under my skin

I'd sacrifice anything come what might for the sake of having you near
In spite of the warning voice that comes in the night and repeats in my ear
Hey don't you know little fool you never can win
Use your mentality wake up to reality
But each time I do the thought of you makes me stop before I begin
Cause I've got you under my skin
[horns]
Hey don't you know little fool you never never gonna win
Use your mentality and wake up to reality
But each time that I do the thought of you makes me stop
I've got you and I need you oh I've got you baby under my skin
