Zididada, You & I (La La La)

Release date: 1. November 2000
Album: Have a zididada day

(Woman you take me to paradise)

You & I how perfect it will be
I know why you need a man like me

(bridge)

We'll be dancing the whole day through
I'll be singing my song for you
When day turns into night
We'll make love in the pale moonlight

(chorus)

Woman you take me to paradise
when I look into your eyes
and I wanna to be with you
And make my dream come through
(la la la la...)

You and I
there's magic in the air
I know why
you need someone to care
