

# 3rd Bass, Microphone Techniques

[breathing like Darth Vader]

The next selection is.. bass filled..  
Musical composition, entitled..  
Microphone Techniques..  
Please check it out..

[Greg Nice]

Get up everybody, it's time to sway OK  
Greg Nice is on the mic with no delay  
Get up everybody, it's time to sway OK  
Greg Nice is on the mic with no delay  
She, said, her name was Lola  
I, said, yo Lola, swolla  
Suave bola, Ayatollah  
Saudi Arabia, Coca-Cola  
My Rolex watch is ran by solar  
Get down, peep my mic technique  
Let's freak let's freak let's freak to the beat  
Checks get cashed, at the end of the weak  
C'mon, Deck the Halls with skins and party  
Gainin weight cause I do eat hearty  
When I wanna get tipsy I drink Bacardi  
Greg Nice, I'm outta here, ghost!

"I'm on the microphone.." [5X]

[Pete Nice]

Uncle Fester, the baldhead jester  
Not me, the Minister, the mic molestor  
Five-oh arrest a G, doin ill deeds  
Took a hoe to pull out the weeds  
Droppin G, the case court is to hobos  
Kickin the bobo, chewin on a Rolo  
Ain't a Volvo with no paid promos  
Sippin cocoa and rollin up momos  
Fee fie foe fum I need awake drums  
The buns ain't mack cause your breath hums  
No Funky Drummer loser pass summons  
But you can't stop the +Humrush+ hummings  
Like Roto Rooter layin pipes like a plumber  
Nice and Smooth cause Three's a prime number  
I go brick church buildin when I'm sleepin  
So flip off my tip, I rip the mic techniquein

"I'm on the microphone.." [6X]

[Smooth B]

I praise the Lord that I'm no longer a vandal  
Kiss my daughter goodnight, then I light a white candle  
and sit back and meditate  
Evaluate, appreciate  
Cause I didn't have to be here, on wax  
Unveling a truth with proof of all facts  
Cause in my life I see the life of many others  
Various shades of colors, sisters brothers  
And once my soul leaves my bodily shell  
I believe to receive a new vail  
of some concious subconcious abode  
chose by few on the positive road  
A man is judged by the goodness of his heart  
So who's to say who's dumb and who's smart?  
Aiyyo Serch (Whattup?) I came to hear you speak  
Get on the mic and flaunt your microphone technique

&quot;I'm on the microphone..&quot; [7X]

[MC Serch]

Watch me shine til it's time for sundown  
I had a scuffle with a kid it only went one round  
I got a girl so there's no need to sex a hoe  
But I gas em up just like they're at Texaco  
Ring goes my phone, so I pick it up and say, &quot;Whattup?&quot;  
Somebody's flippin, so I tell him to shut up  
We'd use a F word, but Ice Cube got the copyright  
so I'll make it +Funky For You+ with Greg Nice  
and his partner Smooth B  
Watch the Superbowl, just for Bud Bowl III  
Then I watch Living Colour, cause &quot;Homey don't play dat&quot;  
Money like my honey in my crib and it'll stay that way  
The equality variety  
You don't like it then you're gonna join the Dead Poet's Society  
Try to flip on what this quartet speaks  
and Serch will disperse, the microphone techniques

[discussion by the crew over the beat until the end]
