Jussie Smollett, Ain’t About the Money (& Yazz)

Ain’t About the Money
It's about a power
Say
Ain’t About the Money
It's about a power
Ain’t About the Money
It's about a power

Think about it
Think about it
Ain't no need to Think about it
Get that money
Keep that power
No need to say thing
Money can’t be anybody
This somebody ain’t nobody
When it comes to power
Super smaller nature
