Kashmir, Big Brown Bear

The big brown bear,
Was found this morning,
In his lair,
With a hole in his fur,
Where life oozed away from,

Now the village is secure,
The kids are all bunkin' off again,
For the fearsome villain,
Is all long gone now,

The big brown bear heyy-hey-hey send with loathing on his way,
The big brown bear heyy-hey-hey send with loathing on his way
