

# 3rd Strike, Paranoid (Black Sabbath Cover)

Finished with my woman  
cause she couldn't help me with my mind  
people think i'm insane  
because i'm frowning all the time  
all day long i think of things  
but nothing seems to satisfy  
thinking i'll lose my mind  
if i dont find something to pacify  
can you help me? are you for my brain?  
oh yeah  
i need someone to show me  
the things in life that i cant find  
i cant see the things that make  
true happiness i must be blind  
paranoid  
the walls are closing in  
i cant breathe cant sleep  
afraid to live another day  
too late to bow my head and prey  
hate flowing through my veins  
i cant change re-arrange  
just a victim a casualty  
war waged on humanity  
lost my way in the darkness of the daylight  
cant run cant hide  
no love no fight  
brought to my knees by this fate i cant avoid  
scared of my own shadow its a battle living paranoid  
make a joke and i will sigh  
and you will laugh and i will cry  
happiness i can not feel  
so love to me is so unreal  
and so as you hear these words  
telling you now of my state  
i tell you to enjoy life  
i wish i could but its too late
