Kelly Rowland, Dumb

Boy is it cost money
I make ‘em go crazy
Boy is it cost money
I make ‘em go crazy
Boy is it cost money
Money, money, money, money

He gotta have it like I have it
He be like a savage
Some like a Trojan
Yeah I do that like a magic
And if he really want some
I make him treat it like a classic
I can test what I’mma grab it
I make him go dumb
Dumb, dumb, dumb, dumb
Sick with it
Quick with it
Come on come on million
Yeah I do it till it’s done
And if he really want some
I make him treat it like a classic
Man I swear that boy is at it
I make him go dumb
Dumb, dumb, dumb, dumb

Boy is it cost money
I make ‘em go crazy
Boy is it cost money
Yeah I make ‘em go crazy
Boy is it cost money
Money, money, money, money

I'm so on with it
Done with it
Grown with it
Baby sing with me
And if I’m really feeling you
I’mma really really baby
I’mma be like oh
I can give it
Stop it
All this booty
That you wanted
Watch you looking
Like you wanna try it
All this booty that you got going on
And if he really want some
I make him treat it like a classic
Make him wanna go to nascar
I make him go dumb
Dumb, dumb, dumb, dumb
I make him go dumb
Dumb, dumb, dumb, dumb
I make him go dumb
Dumb, dumb, dumb, dumb
Make him

I rode that thing like a solider
I rode it like a soldier
And I took it like a soldier
I rode that thing like a solider
I rode it like a soldier
And I took it like a soldier

I bounced it…
Go get some

Dumb /4x

I make him go dumb
Dumb, dumb, dumb, dumb

Boy is it cost money
I make ‘em go crazy
Boy is it cost money
I make ‘em go crazy
Boy is it cost money
Money, money, money, money
