Kenny Price, Walking On New Grass

I'm like a cloud driftin' from town to town each new love just helps me on my way
No one woman's ever gonna tie me down
When one gets too close I just back up and say
I gotta be walkin' on new grass singin' a new song
Tomorrow there's no tellin' where I'll be
But I'll be walkin' on new grass singin' a new song
The next time up the road keeps callin' me

I'm warnin' you don't fall in love with me I don't plan on bein' here too long
You're just a leaf caught in a playfull breeze
I'll carry you a while then I'll be movin' on
And I gotta be walkin' on new grass...
[strings]
I won't take roots I never stay that long and a bad seed just won't grow anyway
This rolling stone don't wanna gather no moss
So when the grass starts to grow then I'll be on my way
Yes and I'll be walkin' on new grass...
