Kim Jong Kook, Yongseohae Gi-eokhae

I know it's kinda hard for you too
time pass by pain get me more
what you have to know
is that I can't get you out of my mind
come on

It was just a day ago
That I had to let you go
You got me through for 24
though And all alone
logics ever change Everything was the same
For my heart got beyond my fame
All you gonna get was pain
Always be my baby forgive my lady
Things pass by what I have to Make it baby
always be my baby Forgive my lady
things cast by What I have to make it lady
