Kitty Wells, Seven Lonely Days

Seven lonely days make one lonely week seven lonely nights make one lonely me

Ever since the time you told me we were through

Seven lonely days I cried and cried for you

Oh my darling you're crying hoo hoo hoo hoo

There's no use in denying I cried for you

What's your favorite past time just making me blue

Last week was the last time I cried for you

[fiddle - guitar]

Seven hankies blue I filled with my tears seven letters too I filled with my fears

Guess it never paced to make your lover blue

Seven lonely days I cried and cried for you

Oh my darling you're crying...
