# Kool & The Gang, Lets Go Dancin

MISLED
Kool & The Gang
Late at night, body's yearning
Restless night, want to be with you
Someone's playing in the garden
So enticing, he's sure to take a bite
I don't know what's come over me, yeah
She's as heavy as a Chevy
Pure excitement, misled
When she touches, can't resist her
I'm a puppet when she's playing
She's outgoing but I love her so
Misled
So I'm saying now
*Baby baby, what's your claim to fame
Got me out of bed, heard you call my name
What's this crazy place you want to take me to
Tell me, what's the price if I go with you
My heart, my soul, my love
Is it the goal?
It's a thrill then I will
Be misled, be for real
Thought I knew her, this lady
Opportunist, misled
Always searching for adventure
Like Pandora's box, misled
And I don't know what I'm gonna do without her
*Repeat
I've got this feeling and it's blocking my way
But I love her just the same, just the same
Oh yes I do
Misled, heard you call my name
Misled, what's your claim to fame
Misled, said I would understand
Misled, with a bomb of broken venus
Misled, not a word is said
Misled, baby, that's your name
Misled, what's what's your claim to me
My heart, my soul, my love
Is that goal?
It's a thrill then I will
Misled, won't you be fo real**
Baby, baby, what's your claim to fame
Got me out of bed, heard you call my name
What's this crazy place you want to take me to
Tell me, what's the price If I go with you
*-**Repeat
Misled, misled
Misled, misled
I was misled by you
Misled, misled
