

4 Elements, I want you to hold me

Let's gooo

1 2 1 2 3 4

Look into my heart

Kiss me from the bottom to the top

We are on earth and we spin around the sun

Day after day we are trying to run

Just take your time to enjoy what's around you

Delight yourself and start living, have fun!

I want you to hold me

Show me what you told me

Everytime you look into my heart

When you're gonna watch me

I want you to touch me

Kiss me from the bottom to the top (x2)
