Lil' Flip, Boxers

(feat. Deep Threat)

[Rap 1: Lil' Flip]
I'm Lil' Flip
Takin trips to Cancun
Drop the tape
My cartoon comin soon
Blowin up like a hot air balloon
Livin in a penthouse wit 25 rooms
Houston, Texas~Benz N Lexus
Find me on the freeway drivin reckless
Wear sunglasses when you look at my necklace
Worldwide respected
Top 10 selected

[Chorus: Deep Threat]
Forces wit my boxers on
Forces wit my boxers on
Forces wit my boxers on
You got yo t-shirt and yo panties
I got Trojans wit my boxers on

[Verse 1: Deep Threat]
Picture this:
Girl me & you
In my water bed
In the shower too
The water's fine
Say what's on your mind
Don't see nothin wrong
With some bump and grind
I'm gone break you off
Like a playa should
Like side to side
Baby its all good
Im not lookin 4
Girl no love affair
If you ride with me
you know ill take you there

[Chorus: Deep Threat]
Forces wit my boxers on
Forces wit my boxers on
Forces wit my boxers on
You got yo t-shirt and yo panties
I got Trojans wit my boxers on

[Verse 2: Deep Threat]
Sittin here
And you're layin there
Layin there
And you're willin to share
Ya freaky thoughts
Baby wit me too
You got ya t-shirt on
And ya panties too
The warm caress
Of ya body next to mine
It's rated X
& its so devine
I wanna come inside
If ya want me to
Open up
And let me prove it to you

[Chorus: Deep Threat]
Forces wit my boxers on
Forces wit my boxers on
Forces wit my boxers on
You got yo t-shirt and yo panties
I got Trojans wit my boxers on

[Rap 2: Lil' Flip]
Girl I'm from Cloverland
Call me Trojan Man
Bump & Grind
I aint wit that holdin hands
When I rip I hit it hard like Jackie Chan
If you fine like Mya
I'll be ya man
I like jazzy girls
And classy girls
You know I'm rich so don't ask me girl
Sometimes the nice girl can be the nasty girl
Im a freak
Don't neva put it past me girl
I got my trojans & my boxers on
At school I got my dockers on (my docker's on)
Jenny Jones and Nia Long
We don't have to just want
I got plenty homes
I rap fast or slow
While stackin dough
Dress like I just won a fashion show
Me humpin AP after mo
We diss niggaz only if
it ain't plat or gold
You wanna hear some Keith Sweat
How bout some Deep Threat (Deep Threat)
Girl Im a playa
Don't get the sheets wet
Lemme put a passion mark on yo neck
And I'll let you kiss my shiny baggettes
I need a sweet lady just like Tyrese
Them soft women down wit Sucka Free (Down wit Sucka Free)
They got plans with H.S.E.
You wanna know what I'm wearin
Wait & see (ooooooooh)

[Chorus: Deep Threat]
Forces wit my boxers on
Forces wit my boxers on
Forces wit my boxers on
You got yo t-shirt and yo panties
I got Trojans wit my boxers on

[Repeat till fade]
Booooxeeeers!
