

# 4 Lyn, Train

This doesn't feel nice  
This doesn't feel good  
This doesn't feel right

I'm like a train  
and I'm doin' whatever it takes  
to come home and  
I'm doin' whatever it takes  
I can't stop  
because because I got no brakes  
I'm like a train  
and I'm doin' whatever it takes

I do it again  
I do it no more

I'm like a train  
and I'm doin' whatever it takes  
to come home and  
I'm doin' whatever it takes  
I can't stop  
because because I got no brakes  
I'm like a train  
and I'm doin' whatever it takes
