Liza Minnelli, Youre So Vain

You walked in to the party
Like you were walkin' onto a yacht
Your hat strategically dipped below one eye
Your scarf it was apricot
You had one eye in the mirror
As you watched yourself gavotte
And all the girls dreamed that they'd be your partner
They'd be your partner, and

You're so vain - you prob'ly think this song is about you
You're so-o vain - I bet you think this song is about you
Don't you, don't you?

You had me several years ago
When I was still quite naive
You said we made such a pretty pair
And that you would never leave
But you gave away the things you loved
And one of them was me
I had some dreams they were clouds in my coffee
Clouds in my coffee, and

You're so vain - you prob'ly think this song is about you
You're so-o vain - I bet you think this song is about you
Don't you, don't you?

Well, I hear you went up to Saratoga
And your horse naturally won
Then you flew your lear jet up to Nova Scotia
To see the total eclipse of the sun
Well, you're where you should be all the time
And when you're not, you're with
Some underworld spy or the wife of a close friend
The wi-ife of a close friend, and

You're so vain - you prob'ly think this song is about you
You're so-o vain - I bet you think this song is about you
Don't you, don't you?
You're so vain - you're so vain - you're so vain - you're so vain (fade)
