Lollipop, Dreaming Of Love

Ooh, ooh.... Yeah..
I say hey hey hey yeah...
Mmmmm

If I could make you look my way
I'd probably end up talking to myself again
I see you almost every day (oh everyday)
But when you leave a list of words I have to say

The things you say, the things you do (the things you do)
I guess I lost'em I don't even have a clue
You're not like the rest, my heart beats for you (my heart beats for you)
And that is why I'm dreaming
Of the moments with you

I'm dreaming of love with you
Not a day goes by
That I'm not thinking of you
I'm dreaming of love with you
And this time goes by
I'm dreaming of the moment with you

My friends are saying I'm a fool (I'm a fool)
They find me writing letters I don't give to you
Observing at you all the time (all the time)
You never know this, that I want to make you mine

The things you say, the things you do
I find myself just want you in every single move
You're hard to resist, I know this is true (I know this is true)
And that is why I'm dreaming
Of the moments with you

I'm dreaming of love with you
Not a day goes by
that I'm not thinking of you
I'm dreaming of love with you
And this time goes by
I'm dreaming of the moment with you (x 2)

Only in my dreams I find the perfect words to say (words to say)
Oh how can I feel that I can talk to you
If only I could make it real

I'm dreaming of love with you
Not a day goes by
that I'm not thinking of you
I'm dreaming of love with you
And this time goes by
I'm dreaming of the moment with you

I'm dreaming of love with you (I'm dreamin' of love)
Not a day goes by
that I'm not thinking of you (uh no...)
I'm dreaming of love with you (I'm dreamin', dreamin' of you)
And this time goes by
I'm dreaming of the moment with you

I'm dreaming of love with you
Not a day goes by
that I'm not thinking of you
I'm dreaming of love with you
And this time goes by
I'm dreaming of the moment with you
