MAC MILLER, Everybody

Everybody’s gotta live
and Everybody’s gnna die
Everybody’s just wanna have a good, good time
I think you know the reason why

Everybody’s gotta live
and Everybody’s gnna die
Everybody’s gotta live
I think you know the reason why

yeas, sometimes the going gets so good
but the it can get pretty rough
but when I have you in my arms, baby
you know I just can’t , I just can’t get enough

Everybody’s gotta live
and Everybody’s gnna die
Everybody’s just wanna have a good, good time
I think you know the reason why

saw a blind man, standin’ on the corner, baby
andhe couldn’t hardly tie his shoes
harmonica and guitar strapped around his neck
but he sure could /2x
play the blues

Everybody’s gotta live
and Everybody’s gnna die
Everybody’s just wanna have a good, good time
I think you know the reason why

feel like I’ve seen a million sunset
if you’re whit me, I’ll never go aay
that’s when I stopped and took a look at my baby
she said if ou’re whit me
I won’t go away
because Everybody’s gotta live
and Everybody’s gnna die
