Marilyn Manson, The Wow

[Du kuesst mich und beruehrst mich.
Es fuehlt sich gut an.
Es fuehlt sich so gut an Sei nicht ueberrascht,
wenn ich dir in die Augen sehen kann. Ich mag es,
wenn du es mit mir tust.Ich mag es, bloss nicht aufhoern.
Es fuehlt sich einfach so gut an]
I had a dream
This one I feel the need to mention
I was happy for a while
and I stopped being scared
and ashamed to say what's on my mind
but you though I changed after a while
And said "you better treat me different or else"
"Or Else" seems like a stupid fucking thing to say to someone like me
Someone like me
Wow...
Wow...
Wow...
wow wow wow wow wow wow wow wow
Don't be surprised I can look in the eye
It's hard to take you serious when you take me inside[x2]
I'm worse, than what you think you'd catch from me
"Complicated"s understated
Did you stop and take a look in who you fell in love with?
At who you fell in love with
It doesn't matter how many times I say it
It never gets old
That's what I have to say
Wow...
Wow...
Wow...
wow wow wow wow wow wow wow wow
Don't be surprised I can look in the eye
It's hard to take you serious when you take me inside[x2]
I doesnt matter if youre going to come
Or just going
I never wanted you to come here anyway
Theres a word thats like you
Because it can be a noun
A verbal exclamation or the thing I say
When something is unbelievable
When Im not able to believe
How unbelievably unbelievable
That you believe you could not be leaveable
Thats when I have to say
Wow...
Wow...
Wow...
wow wow wow wow wow wow wow wow
Don't be surprised I can look in the eye
It's hard to take you serious when you take me inside[x2]
