

4Dreamers, Say Something

everyone knows all about my direction
and in my heart somewhere
I wanna go there
but still I don't go there

everybody says say something
say something, say something
let's say something say something
I don't wanna get caught up in the rhythm of it
when I can't help myself
no I can't hel myself, no, no
caught up in the rhythm of it
no I can't help myself
no I can't help myself
no no no

caught up in the rhythm of it

maybe I'm looking something that I can't have
maybe I'm looking something that I can't have
maybe I'm looking something that I can't have

everybody knows all about my transgression
still in my heart somewhere, in melody and harmony
for you and me tonight

I hear them call my name
everybody says say something
say something, say something
let's say something say something
I don't wanna get caught up in the rhythm of it
when I can't help myself
no I can't hel myself, no, no
caught up in the rhythm of it
no I can't help myself
no I can't help myself
no no no

caught up in the rhythm of it

maybe I'm looking something that I can't have
maybe I'm looking something that I can't have
maybe I'm looking something that I can't have
maybe I'm looking something that I can't have
maybe I'm looking something that I can't have

something the greatest the way to say
something is to say nothing at all
something the greatest the way to say
something is to say nothing at all
something the greatest the way to say
something is to say nothing
but I can't help myself
no I can't hel myself, no, no
caught up in the rhythm of it
no I can't help myself
no I can't help myself
no no no

maybe I'm looking something that I can't have
maybe I'm looking something that I can't have
maybe I'm looking something that I can't have
maybe I'm looking something that I can't have
maybe I'm looking something that I can't have
