Mark Medlock, Everytime You Go Away

Everytime you go away

Everytime Baby Baby uhhyeah
Oh I can't believe that you're loving me, baby.
Oh why you are lying there and why you are fooling my heart?
Oh what can I say?
You're making me crazy.
You're killing me softly.
Baby just fly from the stars.

Believe me
I need you
I touch you
I'll tease you tonight.

Everytime you go away,
Baby, You take away my heaven, oh I know.
Everytime you go away,
Oh it's more than my heart could hold
Everytime I see you crying,
It's a deep cut in my broken heart.
A long time I feel like I'm dying.
Baby don't tear apart, yeah.

Baby we're standing miles from nowhere.
And I cannot lose, Baby, what I never had.
Can't keep a good man down, no, I swear.
Baby I'm sure Baby you're driving me mad

Believe me
I need you
I touch you
I'll tease you tonight.

Everytime you go away,
You take away my heaven, oh I know.
Everytime you go away,
Oh it's more than my heart can hold.
Everytime I see you crying,
It's a deep cut in my broken heart.
A long time I feel like I'm dying.
Baby don't tear apart, yeah.

Everytime, my Baby, yeah.
Oh, everytime you go away.
Everytime you go away,
Baby you take away my heaven, oh I know.
Everytime you go away,
Oh it's more than my heart could hold, uh, yeah.
Everytime I see you crying,
It's a deep cut in my broken heart.
A long time I feel like I'm dying.
Baby don't tear apart, yeah.

Everytime you go away, yeaha.
You take away my heaven, uh
