

# 4HIM, You Are Holy

Here before your throne  
I've come to worship You  
And worship You alone  
Here within my soul  
A song begins to rise  
Until it overflows  
You are holy  
You are holy  
I will lift my voice to You  
And sing it to the angels

You are holy  
You are holy  
We will offer You our praise  
In a mighty chorus  
You are holy  
You are holy  
Wonderful in all your ways  
Holy You are holy, Lord

When Your love breaks through  
And I am swept away  
By just the glimpse of you

Then You make me new  
And I am nothing less  
Than what I find in You

You are holy  
You are holy  
I will lift my voice to You  
And sing it to the angels

You are holy  
You are holy  
We will offer You our praise  
In a mighty chorus  
You are holy  
You are holy  
Wonderful in all your ways  
Holy You are holy, Lord

Unto the One  
Who sits on the throne  
And unto the Lamb  
Be all blessing and honor  
And glory and power and praise

Unto the One  
Who sits on the throne  
And unto the Lamb  
Be all blessing and honor  
And glory and power and praise

You are holy  
You are holy  
We will offer You our praise  
In a mighty chorus  
You are holy  
You are holy  
Wonderful in all your ways  
Holy You are holy, Lord
