Melissa Etheridge, Shook Me All Night Long

She was a fast machine
She kept her motor clean
She was the best damn woman that I ever seen
She had a-sightless eyes
Telling me no lies
Knockin' me out with those American thighs
Taking more than her share
Had me fighting for air
She told me to come, but I was already there

'Cause the walls start shaking
The earth was quaking
My mind was achin'
And we were makin' it
You shook me all night long
Yeah you shook me all night long

Running overtime on that seduction line
She's one of a kind
And she's mine all mine
Wanted no applause
Just another cause
Made a meal out of me, and then came back for more
She had to cool me down
To take another round
Now I'm back in the ring to take another swing

And the walls were shaking
The earth was quaking
My mind was aching
And we were making it
You shook me all night long
Yeah you shook me all night long
You really knocked me out
You shook me all night long
Had me shaking now
You shook me all night long
Well you shook me

You really knocked me out
You shook me all night long
Ah darling
You shook me all night long
Yeah yeah
You shook me all night long
You really got me baby
You shook me all night long
You shook me
You took me
All night long
