Mest, Hotel Room

[VERSE:]
I'm all alone in this hotel room
The fear inside of me is uncontrolable
I hear the cops, see the sun the sky is blue
And all I can think about is being with you
Guess I'm all alone again

[CHORUS:]
So, do ya think you know the way I feel
And do you think you feel the way I do
Cause I am all alone, all my friends are home
And soon I'll be there wishing I was here

[VERSE:]
Never once did I seem to care
If I didn't have anybody near
But now I do and I don't know what to say
I feel lost in every possible way
Guess I'm all alone again

[CHORUS:]
So, do ya think you know the way I feel
And do you think you feel the way I do
Cause I am all alone, all my friends are home
And soon I'll be there wishing I was here

Do ya think you know the way I feel
And do you think you feel the way I do
Cause I am all alone, all my friends are home
And soon I'll be there wishing I was here
Wishing I was here

[BRIDGE:]
Wanna call you but I know I can't call you
Wanna see you but I know I can't see you
Wanna touch you but I know I can't touch you
Wanna be inside of you
Wanna call you but I know I can't call you
Wanna see you but I know I can't see you
Wanna touch you but I know I can't touch you
Wanna be inside of you, wanna be inside of you

[CHORUS:]
Do ya think you know the way I feel
And do you think you feel the way I do
Cause I am all alone, all my friends are home
And soon I'll be there wishing I was here

Do ya think you know the way I feel
And do you think you feel the way I do
Cause I am all alone, all my friends are home
And soon I'll be there wishing I was here
(Do you know the way I feel) Wishing I was here
(Do you know the way I feel) Wishing I was here
(Do you know the way I feel) Wishing I was here
(Do you know the way I feel) Wishing I was here
