Metric, The Wanderlust

I've been sleep walking /2x
Through the railway station /2x
Wake me up /2x
When they call my destination /2x
Where I've been /2x
I was bound to leave behind /2x
All device /2x
And all disease was mine /2x

Ahh,
Speeding out of reach
Ahh,
You're the one I had to meet

I never wanted to go home
(The wanderlust will carry your song)
There was nothing there for me
(The wanderlust will carry your song)
In a high rise on my own
(I've been on all kind of highways for so long)
Looking out in a mirrored balcony
(The wanderlust will carry your song)
Will there ever be a place for you and me
(The wanderlust)
I'm rolling in
For a seven day weekend end
Living up again
To my old reputation
Can you cover me
'Cause I got no armour
Keep moving down the line
Keep on going further

Ahh,
Speeding out of reach
Ahh,
You're the one I had to meet

I never wanted to go home
(The wanderlust will carry your song)
There was nothing there for me
(The wanderlust will carry your song)
In a high rise on my own
(I've been on all kind of highways for so long)
Looking out in a mirrored balcony
(The wanderlust will carry carry carry your song)
I don't know where to go
Now I got nowhere to hide
(Nowhere to go nowhere to be)
I don't know where to go
Now I got nowhere to be
(Oh wanderlust will carry your song)
Walk fifty city blocks down but they always find us
(The wanderlust will carry your song)
Will there ever be a place for you and me
(The wanderlust will carry your song)
Will there ever be a place for you and me Share
