Michael Kiwanuka, Tom Misch, Money

money, money
i sit really love?
money will it be love
oh man, again, I swear
money, money
I feel it killing love
money will it be love
oh man, again, I swear

I think I want everything
everything all on my own
cant’t you see me diamond ring
twenty thousand carat gold
girl, I wanna talk to you
I can be your money tee
one hundred million, maybe three
more than I could ever see

i sit really love?
money will it be love
oh man, again, I swear
money, money
I feel it killing love
money will it be love
oh man, again, I swear

I can buy an aeroplane
flu you all around the world
I am spending when I feel ashamed
spending cause I am all alone
girl, I wanna make you mine
can’t you give your hgeart to me?
I would give you every dime
you’re more than I could ever be

i sit really love?
money will it be love
oh man, again, I swear
money, money
I feel it killing love
money will it be love
oh man, again, I swear

all money lies
there’s no surprise with that
when money tries to ruin everything
pain in disquise
money can’t cover up the lies
I need true love tonight

all money lies
there’s no surprise with that
when money tries to ruin everything
pain in disquise
money can’t cover up the lies
I need true love tonight

i sit really love?
money will it be love
oh man, again, I swear
money, money
I feel it killing love
money will it be love
oh man, again, I swear
