Mickey Gilley, Together Again

Together again
My tears have stopped falling
Long lonely nights
Are now at an end.

The key to my heart
You hold in your hand
And nothing else matters
We're together again.

Together again
The gray skies are gone
And you're back in my arms
Honey, where you belong.

The love we once knew
Is living again
And nothing else matters
We're together again.

--- Instrumental ---

Together again
All the gray skies are gone
And you're back in my arms
Honey, where you belong.

The love we once knew
Is living again
And nothing else matters
We're together again.

Well, nothing else matters
We're together again...
