Milk Inc, Time (Radio Edit)

(Verse 1)
It maybe true
That it's worth another try
Then again
I've often wonder why
There's no answer
There's no reason left to stay
Is it time?
Tell me there's an other way
(Refrein)
Time
Take us back in time
Why can't we rewind
And take it back to where we used to be
Time
Take us back in time
Why can't we rewind
And take it back to where we used to be
(Verse 2)
It maybe true
That we shuddn't let this time
Then again
I've often wonder why
Everyday feels like there's nothing left to say
Is it time?
Tell me there's an other way
(Bridge)
There's no answer
There's no reason left to stay
Is it time?
Tell me there's an other way
(Refrein)
Time
Take us back in time
Why can't we rewind
And take it back to where we used to be
Time
Take us back in time
Why can't we rewind
And take it back to where we used to be
