Moloko, Killa Bunnies

I dreamt that I was dreaming
I was wired to a clock
I tinkle by the minute Hey
Tick tock tick tick tock
I dream I'm on a train
and it is making music
I Don't remember getting off
Klickity Klick Klickity Klick
I dreamt that I was very tall
I was Bigger than King Kong
I heard the bell the bells
a ringin a ding dong a ding dong
I dreamt that I was sitting
In the devil's company
He made a solemn promise
