Motor Ace, Feathers

Never felt so divine
Dreamed of stars?
Well so did I
Losing sleep
Never rest
Been watching green
Turn to red
Before you lose yourself
Do you cry when no one does?
Do you define yourself in love?
If she wants leather
Then give her feathers for the pain
Never felt so alive
Dreamed us down?
Well so did I
Lose the beat
Lost my head
While watching green
Turn to red
Before you lose yourself
Do you cry when no one does?
Do you define yourself in love?
If she wants leather
Then give her feathers for the pain
