'N Sync, Somewhere Someday

When clouds above you start to pour
and all of your doubts rage like a storm
and you don't know who you are anymore
let me help you find what you've been searching for

Chorus:
Somewhere
Somewhere there's a field and a river(somewhere)
you can let your soul run free(someday)
Someday
Someday let me be the giver
let me bring you peace
Somewhere
Somewhere there's a break in the weather(somewhere)
where your heart and spirit go free(someday)
Someday
Someday it'll be for the better
Let this bring you peace

Girl I know you think no one sees
the weight on your shoulders, but you can't fool me
and aren't you tired of standing so tall
let me be the one to catch you when you fall

Chorus

Let me bring you joy
bring you joy
Let me bring you peace
Bring you peace
take these tears that you cry
And trust them to me
Let me give you heart
give you heart
Let me give you hope
give you hope
Be the one constant love
that you've never known

Chorus

Somewhere
Somewhere
Somewhere
Somewhere
Somewhere
Someday

Let me be the one
Let me be the one
To catch you when you fall
Let me bring you peace
