Nana Mouskouri, Romeo

1
I studied Shakespeare when I was at school
Thought Romeo was a pet
Felt if I met him I'd act like a fool
I'd be a poor Juliet

Now that I know him I'm not really sure
For you're as charming as he
Saying the same things to all the girls
Or is it just to me?

Refrain
"Romeo, why am I so in love with you?"
"Romeo, is it you or the things you do?"
"I' ve been yours from the first time you said: ""Hello!"""
Are you mine or just only my Romeo?

2
I studied Shakespeare when I was at school
Thought Romeo was a joy
I like the true way he loved Juliet
Just my ideal of a boy

You know I like you as my Romeo
That's how I want you to be
But if you're out on some other date
Can you be true to me?

Refrain
