

50 Cent, I'm The Man ft. (Chris Brown)

Come in the game getting money
Flipping chickens, whip it, getting money
Niggas get to playing with the money
Colleagues bang form money
Shit changed over money
TThey love to see a Nigga on the bottom
Catch it coming, gotta keep it on the low
A Nigga plug bless a Nlga with a whole
Wanna break the bitch down into 30
Look there, bitch, I'm okay!
Shortuy wanna fuck with me
Stripping the jiggy Nigga
Lady, she going hit my line
We ain;t going waste no time
She sucking and we fucking like she need me
While she make a bankroll easy
All the night in the room from the TV
We getting it on than I'm gone
It's the type of shit that a Nigga be on!
