Nicotine, D.I.Y. (1999 Ska Version)

I'll be waiting....,waiting for you
Until I know if you're O.K.
Night after night
We fall apart but it's alright
Cause I know you put it all on the line
Never meant to hurt you anytime
Never saw you standing by my side
If you run into the hardest time,
Then you listen to my words
Do it yourself!
Do it yourself!
Do it yourself and believe your way!
It doesn't matter what the people say [x2]
