[50 Cent]

Now homey I say I runnit runnit cause I'm in control

Hpnotiq, Hennessy, a couple shots of Patr&#oacute;n

I have ya feeling aight, I get ya high as a kite

Party-poppin shawty says she coming with me tonight

I aint shoulda' leanin', I aint snapping and popping either

I'm bopping my head or I'm just standing there watching

I'ma hustler I hustle, you can tell that I'm paid

And I protect what I got, I'm in a house with my blade

Nigga you front you gonna get it, OK now maybe I've said it

Cause I want you to triddip, yea I be on that shit hit

You should see when I'm stuntin' I flash the stones to be wanton

Push the grip see me rollin', you can tell that I'm holdin'

I'm just doing my thang, you know the units the game

I got my grimey Shady with me you front you'll have to get me

Off your ass I'll pay the lawsuit and laugh

Haha its not a big deal it's nothing but some cash

Lets Go

[Chorus]

Who run it?

You know ya acting like ya don't know

I tear the club up fo sho

This flow is gon' bring mo dough

You know but ya acting like ya don't know

Who run it?

You know ya acting like ya don't know

I tear the club up fo sho

This flow is gon' bring mo dough

You know but ya acting like ya don't know

[Eminem]

When me and Fif' got together to do this music and movie

The more we became enveloped we just developed a fellowship through it

It's no pretend shit its friendship mi nemesi es su nemesi

Same for him it's just media see to them images it's just images

But this shit is no gimmicks this is blood-in and blood-out

When there's beef you just gotta know when to butt-in and butt-out,

If there's a problem we solve it, we don't resolve it

It usually just evolves into one big brawl and we all get involved in it

We should all get a merit, cause most beef we inherit

And wear it like a badge of honor pass it around and share it

And let it go to whoever's holding the most current beef on they're shoulders

And the soldiers got their backs till it's over

But tonight, we aint come in here to beef with nobody

We came to party - Banks, Cashis and Mr. Ferrari

So it's Shady Afterm-izzath back in that ass

You wizz-ass, come-izzon, what kinda fizz-uckin musician is that?

[Chorus]

Who run it?

You know ya acting like ya don't know

I tear the club up fo sho

This flow is gon' bring mo dough

You know but ya acting like ya don't know

Who run it?

You know ya acting like ya don't know

I tear the club up fo sho

This flow is gon' bring mo dough

You know but ya acting like ya don't know

[Cashis]

Pistol play ricochet see where the victim lay

Slumped over bleedin, J.F.K

H.K. to ya chest plate, cave

I will ride to the death, do you rep thatta way?

Forever I'ma be a Shady 7-4 gangsta

Plus I'll survive everything you got in that chamber

I thrive off of danger, jumpin in all beef

You keep talking shit, now the squad can call me

[Lloyd Banks]

Enough holding back the steam, Em let off a magazine

Dapper Don, Cap' of Queens, mixed in with Cashis creams

Started off with half a dream, developed into what you see

Telling aint my cup of tea, can't tell I'ma fucking G?

I'm all automatic when I'm at it, start static and you splattered

Shit shattered, I'ma walking bitch magnet

Spit it how I live it live it always to the limit

And I'm always on my pivot for my digits you dig it?

So

[Chorus]

We run it

You know ya acting like ya don't know

I tear the club up fo sho

This flow is gon' bring mo dough

You know but ya acting like ya don't know

Who run it?

You know ya acting like ya don't know

I tear the club up fo sho

This flow is gon' bring mo dough

You know but ya acting like ya don't know

Who run it?
