One Direction, Live While You?re Young

Liam:
Hey girl, I’m waiting on ya
I’m waiting on ya
Come on and let me sneak you out
And have a celebration, a celebration
The music up the window’s down

Zayn:
Yeah, we’ll be doing what we do
Just pretending that we’re cool
And we know it too
Yeah, we’ll keep doing what we do
Just pretending that we’re cool
So tonight...

Together:
Let’s go crazy, crazy, crazy
Till we see the sun
I know we only met
But let’s pretend it’s love
And never never never stop for anyone
Tonight let’s get some
And live while we’re young
Whoohoo, Whooho
And live while we’re young
Whoohoo, Whooho
Tonight let’s get some

Harry:
And live while we’re young

Zayn:
Hey girl, it’s now or never
It’s now or never
Don’t overthink just let it go
And if we get together
Yeah, get together
Don’t let the pictures leave your phone
oooo

Niall:
Yeah, we’ll be doing what we do
Just pretending that we’re cool
So tonight...

Together:
Let’s go crazy, crazy, crazy
Till we see the sun
I know we only met
But let’s pretend it’s love
And never never never stop for anyone
Tonight let’s get some
And live while we’re young
Whoohoo, Whooho
Wanna live while we’re young
Whoohoo, Whooho
Tonight let’s get some

Harry:
And live while we’re young

Zayn:
And girl, you and I
We’re about to make some memories tonight

Louis:
I wanna live while we’re young
We wanna live while we’re young

TOGETHER; x2
Let’s go crazy, crazy, crazy
Till we see the sun
I know we only met
But let’s pretend it’s love
And never never never stop for anyone
Tonight let’s get some
And live while we’re young

Young...

Wanna live while we're young...
Tonight let’s get some

Zayn:
And live while we’re young
