

5ive, Sunshine

All i gotta do
Is get it through to you
you take my hand and let me lead you away
same old words again
he just a friend
that's what you told me
But you're my one and only

[Bridge:]

If I tell you something now
I ask myslef just how you came in to my world
gotta keep on luvin' you

[Chorus:]

So let the sunshine wherever you are
It really doesn't matter how long, how far
I took my time and realized
you're the only thing that matters now in my life
Just another song
while the beat goes on
you keep on movin and I'll bring you the groove
I guess it's just the way
nothing left to say
hard everyday
DJ take me away

[Bridge]

[Chorus]

stop, look, check and listen
I freaks the funk that will keep you wishin'
you're a superstar
No matter who you are
You gotta keep your dreams
becos' they're never too far
Now can you see what I'm tryin' to do
realize that what it's never too late now
can you feel what I'm tryin to say
until the beat goes on and on until the break of dawn

[Bridge]

[Chorus]
