One Vo1ce, Serenade

Bah bah bah hah hah
Bah bah bah hah hah

Verse 1
Must of been an angel
Sweet spirits raining from above
Shower me with lirance of love
Blessing me over and over

Chorus
So I serenade my song
My love, for you
And I'll give you my heart
And I'll serenade for

Verse 2
Ohh, you said you was my destiny
My calling to find the way to you
Something like out of dream
Angels came to me and sang this heavenly song

Chorus

Verse 3
Ohh, my love is true for you
Never have to worry baby, coz I got what you need
You'll never be alone
My heart will be your shelter and keep you warm
Need me, feel me, hold me forever and ever
Need me, feel me, hold me forever and ever

Chorus

I serenade for you, I serenade
I serenade for you, I serenade
Serenade for you (to fade)
