

# 702, Cousin Skeeter Theme Song

You know how he does, and you Skeeter flows  
All i wanna do is hug ya cause I like your steelo  
And I dig the way you move, and the way you do your thing  
Skeeter keep it comin' on 'cause we'll love you crazy  
Skeeter's the one for me, he knows how to get down, knows how to party, baby  
All the girls love his style  
Skeeter drives us wild with his fly profile

You stay on my mind (on my mind)wanna see ya all the timeOn each and every...(every show, yeah)  
Skeeter is what I want, Skeeter is what I need  
I love your pretty brown eyes  
Let's sit back and watch TV, yeah!
