# Part Six, Cruisin'

Can't believe it's almoust saturday night
sun don't quit, still lokking bright
ain't nothing more important to me
than getting ready to hit the streets
need some time cause i worked all week
damn i need a change
need a little peace
ain't concerned bout no one else
tank is full and i'm bout to jet
Let's chill, sit back, rewing let's have a good time
it's time to unwind
do what you wanna do
Refrain:
You know that we'll be cruisin
boulevard we don't stop
everbody is coming
won't be late at the stop
Kelly, Saundra, Susan
Lady's looking so hot
fellas crank that music
cruisin round in that drop
(cruisin round in that drop)
Hey, nah nah nah nah
hey, nah nah nah nah
hey, nah nah nah nah
Cruisin, cruisin
Hey, nah nah nah nah
hey, nah nah nah nah
hey, nah nah nah nah
Cruisin, cruisin
Rolling pretty rims all touches up
leathers speats get a little more love
in case a shortie is ridin' next to me
case we be getting down in the back of them seasts
don't be surprised if we hit your block
you might just hollar but we might not stop
we got plans so we see u at the spot
cruisin to the club
the nights so hot
let's chill, sit back, rewing let's have a good time
it's time to unwind
do what you wanna do
