Perry Como, More And More

More an' more, this heart of mine confesses
More an' more, I'm caught in your caresses
Warmed by the breath of your sighs
Cooled by the blue of your eyes

More an' more, I find it more than thrilling
To share this dream that needed fulfilling
More an' more, I'm less an' less unwilling
To give up wanting more an' more of you!

< instrumental break >
More an' more, I find it more than thrilling
To share this dream that needed fulfilling
More an' more, I'm less an' less unwilling
To give up wanting more an' more of you!
