Pharrell Williams, Money maker

Pharrel:
Shake your money maker
Like somebody bout to pay you
I see you on my radar
Don't you akt like you a father, ciiiiii
Ludacris:
You now I got it
If you want to get it
Stand next to this money like ay ay ay
[2x]
Ludacris:
Shake, shake, shake your money maker
Like you are shaking it for some paper
Took your mama nine months to make ya
Might as well shake what your mama gave ya
You, you looking good in them jeans
I bet you, look even better with me in between
I keep my mind on my money
Money on my mind
But choose a hell of a distaction when you shake your behind
I got on my right site
Poe some girls, my whole hood is on to left
And they ain't givin a fuck
So feel free to get lose, and get carried away
So about tomorrow you forget what you were saying today
But don't forget about this feeling
That I'm making you get
And all the calories you burn, from me making you sweet
To my highpoint you earn when we taking my jet
And how everywhere you turn I'll be making you wet
Cause you can
Pharrel:

Switch it till you running right out of breath and
Take a break to be ready again and
You can invite over as many friends
You want too, but I really want you
Just be thankfull that Pharrel gave you something to bump to
Luda! I'm at the top of my game
You want my hands from your bottom to the top of your frame
And I, just wanna take a little right on your cuves
And get erotic giving your body just what it deserves and
Let me give you some swimming lessons on the penis
Backstroke, breaststroke, stroke of a genius
Yea, come in a innocence mean and
I am just a bedroom gangster
And I be mean in tell ya that i really must stack ya when ya

Please don't stop till it hurt girl
You, you been looking a little tipsy
So if you put just shake it a little this way
See I'm a member of the BBC
The original breadwinner of DTP
And you're the center of attention that is distracting the squad
Cause everybody in the campus like, oh my god! She could...
